

# Three Angels Cry Out

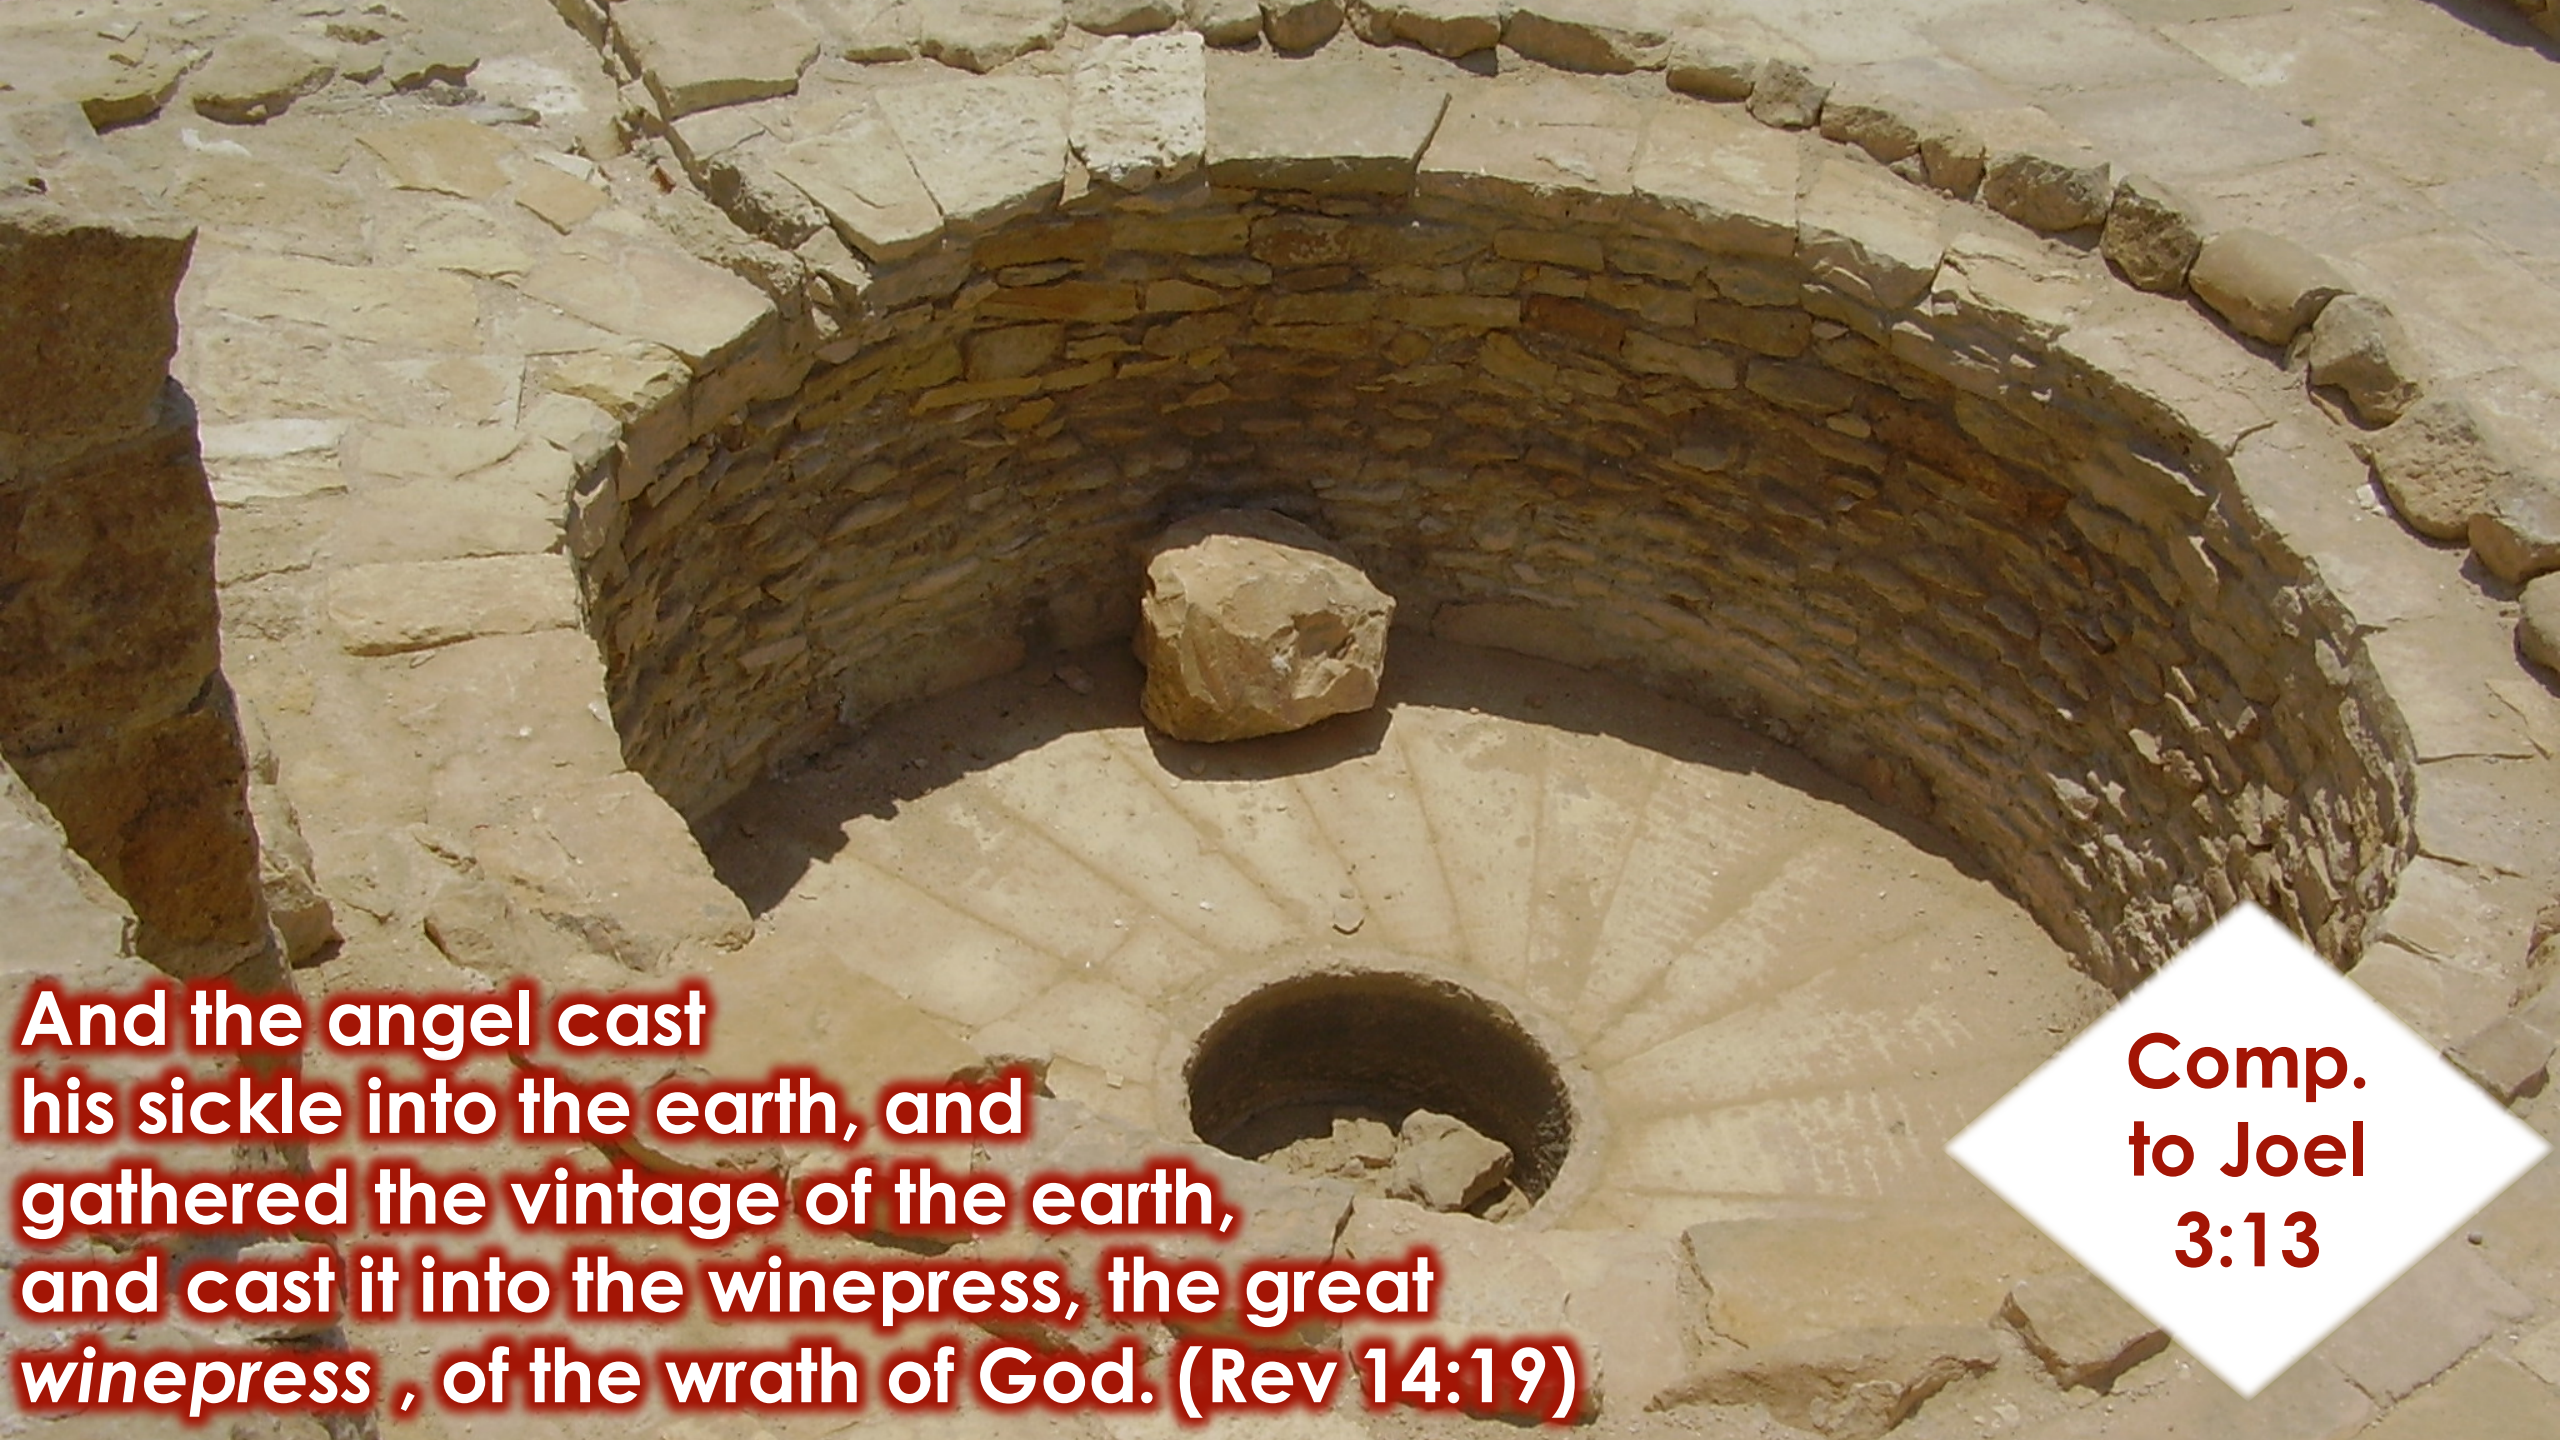

**“Blessed are the  
dead who die in the  
Lord from now on!”**

**1<sup>st</sup> Angel** – pleads for those in the world to turn to God and repent because judgment is about to come

**2<sup>nd</sup> Angel** – Babylon (i.e. Rome) is doomed and it will fall. Get ready!

**3<sup>rd</sup> Angel** – The punishment for following Rome is that you will drink of the same wrath and punishment.

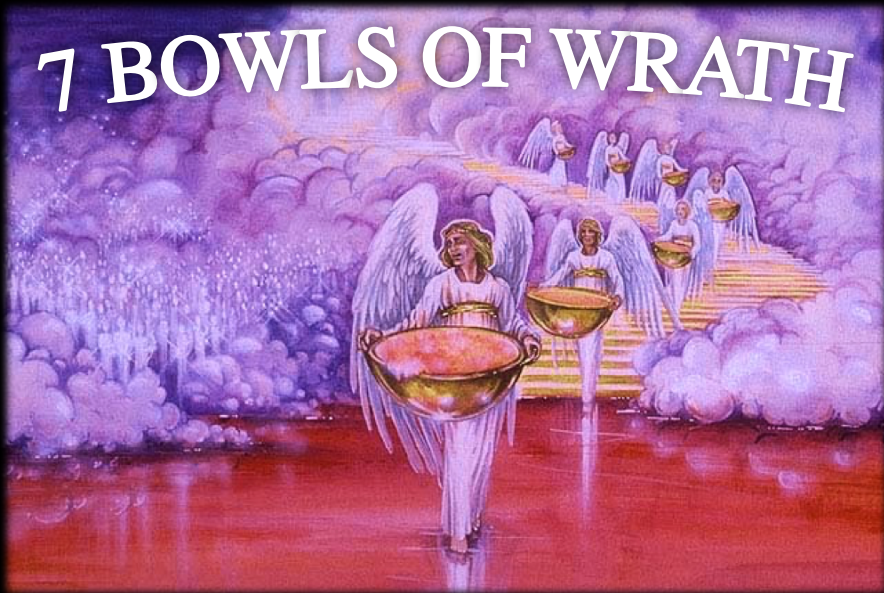

A photograph of an ancient stone winepress. It is a circular structure built with rough-hewn stones, featuring a central circular opening. A large, irregularly shaped rock sits in the middle of the press. The surrounding ground is also made of stone.

**And the angel cast  
his sickle into the earth, and  
gathered the vintage of the earth,  
and cast it into the winepress, the great  
winepress , of the wrath of God. (Rev 14:19)**

**Comp.  
to Joel  
3:13**

**Then I saw another sign in heaven, great and marvelous: seven angels having the seven last plagues, for in them the wrath of God is complete.**

**“Go and pour out on the earth the seven bowls of the wrath of God”**

“No attempt to determine the special meaning of the objects thus visited by the wrath of God – the land, the sea, the rivers and fountains of the waters, the sun – has yet been, or is ever perhaps likely to be, successful; and the general effect alone appears to be important” (Milligan, pg. 265)

**Rome given sores from their corrupted morals.**

**Rome’s corruption spreads to their children and immigrants**

**Rome’s corruption spreads to now destroy lives**

**Rome’s hatred of God turns Him against them**

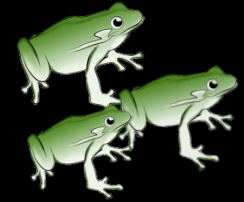

**Rome begins to fall apart; their sins start to collapse the nation**

**Rome’s barriers are destroyed to make way for invasion**

**Rome falls, and all nations and men suffer in its fall. There is no hiding.**

“for they are spirits of demons, performing signs, which go out to the kings of the whole world, to gather them together for the war of the great day of God”

**SATAN gets ready for the battle!**

**INTERLUDE!!!**

## The Valley of Megiddo: also known as Armageddon

The valley formed an easier route through the Levant than crossing the mountains on either side, and so saw a large amount of traffic, and was the site of many historic battles; the earliest battle for which, the Battle of Megiddo, has a surviving detailed account to prove that it was fought in the valley. Due to the surrounding terrain, Egyptian chariots were only able to travel from Egypt as far as the Jezreel valley and the valley north of Lake Huleh. (Wikipedia)

Symbolically, in this Valley of Decision, the great battle is fought between God's forces and Satan's. The 7<sup>th</sup> Bowl is poured out on the "air".

"wherein ye once walked according to the course of this world, according to the **prince of the powers of the air**, of the spirit that now works in the sons of disobedience;" (Eph. 2:2)
