

**DRAGON RELEASED**

**NATIONS DECEIVED**

Gog & Magog are the nations from every corner of the globe – Ezek 38:17

**THE CHURCH SURROUNDED**

Far from a physical conflict, this battle will be a moral and spiritual one. Satan's Gog and Magog symbolize such forces and agencies as atheism, humanism, communism, materialism, astrology, and all manner of false and perverted religions. Gog and Magog also represent such forces as anarchy (rebellion against all principles and standards of truth); corruption in government and business; immorality with its decay of home, lack of natural affection and devotion to children; sodomy; alcoholism; and total abandonment to a base and sordid life of the flesh. Satan will use the anti-God, immoral standards and practices that he is using today, but probably to a more intense and flagrant degree. Gog and Magog do not gather around a conference table and offer themselves to the devil in a nefarious pact; but being deceived, they are drawn to him as were the kings of old. (HH, Revelation – pg. 397)
