And God made the expanse and **separated the waters** that were under the expanse from the waters that were above the expanse. And it was so. (Gen 1:7)

Let the earth sprout vegetation, plants yielding seed, and fruit trees bearing fruit in which is their seed, **each according to its kind,** on the earth. (Gen 1:1)

So God created the great sea creatures and every living creature that moves, with which the waters swarm, **according to their kinds,** and every winged bird **according to its kind.** And God saw that it was good. (Gen 1:21)

And God made the beasts of the earth **according to their kinds** and the livestock **according to their kinds,** and everything that creeps on the ground **according to its kind.** And God saw that it was good. (Gen 1:25)

So God created man in His own image, in the image of God He created Him; **male and female** He created them. (Gen 1:27)

GOD CREATED KINDS OF THINGS

- Evolution says you are **the same kind** as an ape
- Homosexuality says male & female **doesn't matter**
- Every time God makes something, He also classifies that thing and divides it.
