GENESIS

IN THIS SINLESS GARDEN:

- Every tree was “pleasing to the sight and good for food”
- The tree of life existed in the middle of the garden
- God walked in the garden amongst them
- There was no shame and they were naked
- The land was fertile and rich with precious metals
- Mankind had satisfying work to do
- Adam and Eve were not alone
- Eve’s role as helper did not require “ruling”
- Man had dominion over the animals, yet without fear
- Marriage and family was glorified and intended to fill the earth
